# Heat exchangers

#### PRODUCT SPECIFICATION

The products mentioned below belong to this technical approval-with-product certificate

- Showersave®QB1 -serie;
- Q-Blue Recoh-Vert V6.

## Fitness for contact with drinking water

This product is approved on the basis of the requirements for hygienic aspects set in the "Regeling materialen en chemicaliën drink- en warm tapwatervoorziening" ("Materials and chemicals in the supply of drinking water and warm tap water Regulation"; published in the Government Gazette).

These hygienic aspects are based on two main criteria. The product shall permanently comply with:

- The product recipe approved during the assessment procedure. This recipe is not to be changed without prior approval by Kiwa according to
  the Kiwa approval procedure for the hygienic aspects;
- · Specific product requirements for the hygienic aspects.

The recipe and specific product requirements are laid down in the for confidentiality reasons undisclosed 'appendix hygienic aspects' to this certificate.

#### **MARKING**

The Kiwa®-mark products are marked with the word mark KIWA Place of the mark: on the identification plate of each heat exchanger.

# Compulsory specifications:

- Trade mark/type or logo,
- Construction (single-partition/double-partition),
- Secondary side wall material used,
- Intended purpose of use of the connection ends,
- Year of manufacture,
- · Primary side working pressure,
- Secondary side working pressure,
- Designation of liquid intermediate medium,
- Maximum primary water temperature,
- Maximum secondary water temperature.

# Method of marking:

- Non-erasable;
- · visible after assembly.

## **APPLICATION AND USE**

The products are intended to be used in hot water installations with a working pressure of maximum.1 MPa (10 bar) and a water temperature of maximum 90 °C.

# **RECOMMENDATIONS FOR CUSTOMERS**

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement;
- · the mark and the marking method are correct;
- the products show no visible defects as a result of transport etc.

If you should reject a product on the basis of the above, please contact:

Q-Blue B.V.

and, if necessary,

Kiwa Nederland B.V.

Consult the supplier's processing guidelines for the proper storage and transport methods.
